What is Best Places to Work in Multifamily®?

Best Places to Work in Multifamily® is a survey competition developed by Multifamily Leadership to determine which participants are the best employers. The process is managed by Best Companies Group and winners are recognized at the annual Multifamily Leadership Summit.

What is Best Companies Group (BCG)?

Best Companies Group is an independent research firm specializing in identifying and recognizing great places to work. BCG manages programs worldwide, including the US, Canada and the UK.

Why participate?

By participating you can find out if you are one of the industry’s best employers! It can also result in significant organizational benefits for entrants:

1) Heightened Company Pride: If your company appears on the list, it could improve employee morale and retention.

2) Public Relations and Marketing Advantage:

Companies can use the distinction to enhance recruiting efforts, increase the value of general marketing and improve reputations.

3) The BCG Insights Report Package:

Companies could pay as little as \$735 to participate! They will also receive their BCG Insights Report package detailing employee responses along with employee and employer industry benchmark reports.

Who can participate?

- Multifamily property managers or their suppliers
 - For-profits or not-for-profits
 - Publicly or privately held businesses
 - Companies with a facility in the US/Canada
 - Companies with 15+ full- and/or part-time employees* working in the US/Canada
- *See Eligibility on website
- Companies in business a minimum of 1 year

Assessment Description

The process includes 2 surveys to gather detailed data about each participating company. BCG conducts the surveys, analyzes the data and determines the winners and rankings.

Part I – Employer Benefits & Policies

Questionnaire: The employer completes an online survey, detailing company policies, practices, benefits and demographics.

Part II – Employee Engagement & Satisfaction

Survey: Employees complete a survey of in-depth statements using a scale of 5 points ranging from “Agree Strongly” to “Disagree Strongly.” The survey also includes 7 demographic and 2 open-ended questions. There are 3 different ways to complete: 1) all email, 2) email + access codes or 3) hard copy.

What does it cost?
